

Customer Biosafety Level 1 Confirmation

<p>IBA offers cloning, expression and protein purification services to the customer. This requires</p> <ul style="list-style-type: none"> • the providing of a defined sample (expression plasmid, GMO or protein extract) from the customer • and/or the synthesis, cloning, expression and purification of a customer requested gene/protein at IBA. <p>According to regulatory requirements a confirmation by the customer regarding Biosafety Level 1 is a prerequisite before starting the service.</p>	
<p>Customer</p>	<p>Contact name: Institution: Address:</p>
<p>Service description:</p>	
<p>Description of the recombinant protein: (name, function, accession no. if available)</p>	
<p>If a sample will be provided (protein, DNA template), please describe the source:</p>	
<p>Has your sample been in contact with livestock (e.g., bovine) serum at any time?</p>	<p><input type="checkbox"/> yes <input type="checkbox"/> no</p>
<p>List any hazard associated with this sample or the protein to be expressed:</p>	
<p>I hereby confirm that the above mentioned gene and/or protein (including all genetic elements) can be handled under Biosafety Level 1 conditions.</p>	<p>Signature: _____ Date: _____</p>
